

Springhouse “Rush” Appraisal Policy

Springhouse asks our appraiser partners to be sure to carry out proper due diligence before accepting an appraisal order, as you are inherently accepting the terms detailed in the order, including, but not limited to, the fees and due date. The additional \$50 added to a “Rush” order is given as an incentive to complete a quality report within a shortened timeline. Appraisers forfeit the right to the additional \$50 if the report is not received by the due date stated in the order and completed with a satisfactory level of quality.

We value your partnership and thank you for your continued cooperation.

Any questions regarding payment are to be directed to Springhouse’s Accounting Department at 314-932-7722 or accounting@springhouseamc.com.
